Additional Fees

Extra fees will be payable for additional services not covered by the standard fees above. These fees will be charged as and when the additional work is carried out.

Fixed fees do not apply to some areas of extra work, as the time spent on them can vary considerably. These include complex benefit payments, meetings with clients, complex or time consuming transactions and detailed correspondence or meetings with other professional advisers. Our standard hourly rate for this type of work is £186 per hour.

All our fees are subject to VAT and the fixed amounts above may be increased annually in line with the Index of Average Weekly Earnings. We reserve the right to amend our fees at any time subject to one month's prior written notice.

Investments

Prydis Wealth is your professional adviser giving you advice in relation to the scheme. They will assist you in becoming a member of the scheme and transferring funds from other pension arrangements.

You will also receive investment advice from Prydis Wealth and will make investments based on this advice.

The scheme investors agree to a centrally managed investment strategy. As the scheme is a Group SIPP, all investments are held on a pooled basis with each member owning a percentage of the scheme assets calculated according to monies received into each member's plan. The investments held include Property.

General Notes

How does VAT apply to fees?

Plans are written under a trust arrangement and therefore the fees are liable to VAT at the standard rate. We will calculate all the VAT liabilities and collect these from your SIPP as appropriate.

How do annual fees work for transactions part way through a year?

Where you move from using our Investment Partners only to using the full range of investment options part way through a year, we will charge the higher annual fee for that year, and for each year thereafter.

Where you:

- move to being an unadvised client; or
- purchase a specialist investment or a property part way through a year, we will charge a full annual fee for the period to the next anniversary.

We will not refund (in part or in full) any fees that have already been charged:

- on payment of the total remaining fund through flexi-access drawdown or UFPLS; or
- when a transfer out is initiated.

What do you do if you receive additional money following a transfer out?

We may receive dividends and other money after the transfer has completed. We will amalgamate these periodically after your plan is closed and forward them to the receiving scheme (less a fee when transferring to a ROPS). If our fee is more than the money received, we will keep the money.

What is a specialist investment?

Please refer to the Curtis Banks Guidance Note on investments.

Who are your Investment Partners?

Please refer to our website, www.curtisbanks.co.uk.

Do your fees include the investment firm's fees?

No, our investment transaction fees relate to the recording and reconciling of investment transactions by us and do not include your investment firm's fees and charges. You should ask your adviser for a copy of your investment firm's documentation including their charges. This will be between you and your investment firm.

Are there any additional fees?

We reserve the right to charge for additional services on a time-cost basis relevant to the expertise and seniority of our staff involved. We will either provide an estimate of the charge or the basis on which it will be calculated for your acceptance before the work is carried out.

SIPP bank accounts

The current interest rate is published on our website: www.curtisbanks.co.uk. Any changes to this interest rate will be published at least 30 days in advance.

Interest will be paid gross and credited monthly.

Any additional interest earned on the SIPP bank account will be retained by us.

When are fees payable?

Annual fees are payable in advance. All other fees are taken on completion of the event.

Is there anything else I should know?

All expenses, charges and outgoings whether in respect of the investments contained in your plan (including the costs of purchase, sale, management, maintenance and valuation of freehold and leasehold properties, if any, and other investments) or other expenses however incurred shall be charged to your plan.
