

Death benefits application form

Important information: please be aware that there is an error in legislation that impacts how the maximum amount that can be paid as scheme specific tax-free cash is worked out. HMRC have recommended that until the legislation is fixed, it may be best to delay taking benefits. By completing and submitting this form, you are confirming that you are aware of the guidance issued in HMRC Newsletter 158 (<https://www.gov.uk/government/publications/pensions-schemes-newsletter-158-april-2024/newsletter-158-april-2024>) and wish to proceed without waiting. Please be aware that we will calculate your payment based upon what HMRC have told us they will be changing the legislation to, rather than the legislation which they have confirmed is incorrect. At this time, there is no timescale on when legislation will be corrected.

This form is to be used to request a death benefit lump sum payment, or to establish a beneficiary drawdown plan. If you are neither a UK resident or a UK national, or wish to transfer to a dependant's annuity please contact us, using the below details, for an alternative form.

All monies received are to remain in my SIPP bank account pending investment instructions.

Please note: this will be the default option if neither of the above are selected.

6 Income payment details

6.1 Initial gross income

Please note: if you haven't previously taken benefits from your SIPP, we will not have a tax code for you. If you have received a P45 from your previous employment and it's dated in the same tax year in which you are commencing income, please forward parts 2 and 3 of the P45 to us along with this form. We will check that the P45 can be used and, where permitted, we will use the tax code from your P45 when we process your first income payment. This code has to be applied on a month 1 basis.

If we have no tax code and no P45, HMRC rules state that we must use an emergency tax code on a month 1 basis until HMRC issues us with your tax code, which we will then be able to use against future payments. The emergency tax code may result in you initially paying too much, or too little, tax to HMRC.

Please ensure you read the below for details on your products income payment dates.

- All payments will be paid by BACS.
- International payments will attract an additional fee. Please refer to the Schedule of Fees for your product.
- Payments to overseas bank accounts may attract additional fees charged by the intermediary and receiving banks. These fees will be deducted from the payment and Curtis Banks have no prior knowledge of any additional charges you may incur.
- For Your Future SIPP, MasterSIPP, SmartSIPP, SimsIPP and Suffolk Life SIPP:
 - All regular income payments will be paid on the last working day of the month.
 - One off payments will be paid on the next working day, once all requirements are met.
 - Where you select quarterly payments, we will pay your income at the end of March, June, September and December.
 - Income payments being paid to an international bank account will be limited to 2 per year.
- For all other Curtis Banks products, payments will be paid on the 9th, 15th, 22nd and 28th of each month.

Where the whole fund crystallised is to be paid out as pension income in a single payment, the payment will be made when the plan has been reconciled. This will incur a fee in line with the relevant schedule of fees.

We require ten working days' notice to establish or amend income payments. For monthly payments, if there is insufficient time to set up your first payment you will receive a double payment on the next payment date.

We also need sufficient cleared funds in your SIPP bank account ten working days prior to each payment date, otherwise the payment will not be made. It is your responsibility to ensure sufficient funds are available in the SIPP bank account.

7 Expression of wishes

You should complete this section to tell us who you wish to receive benefits from your plan if you die.

If you wish to name more beneficiaries than the spaces allow for, please continue on a separate sheet and attach it to this form.

Please refer to the Terms and Conditions for your plan for details of the different ways death benefits may be received.

Declaration

- On my death, I wish the scheme administrator to pay any benefits from my plan(s) to the beneficiaries and in the proportion set out below.
- I accept that this is only an expression of my wishes. I understand that whilst the scheme administrator will pay due consideration to those wishes, they have absolute discretion as to the beneficiary(ies) and to the proportion of benefits paid to each beneficiary unless otherwise provided by law.
- I understand that if the scheme administrator chooses a beneficiary who has not been named in section 7.1 or 7.2, drawdown income would normally only be available in limited circumstances. Therefore in addition to the below, in order to allow the administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.
- I understand that I can change the beneficiaries at any time and that the scheme administrator will refer to the last completed form held.

8 Receiving guidance or advice

The FCA requires us to tell you about a service called MoneyHelper.

8.1 MoneyHelper guidance

MoneyHelper is a free, impartial service from the Government, which offers guidance to help you make an informed decision about what to do with your pension savings. This includes providing the different options available to you, in order to access your pension savings. Pensions guidance is delivered at an appointment with an independent pensions specialist, which you can choose to book yourself, or alternatively Curtis Banks can arrange this on your behalf. You can also receive advice from a regulated financial adviser. Advisers may charge you for their services.

Please ensure you have read the MoneyHelper privacy policy, which is available on their website, www.moneyhelper.org.uk/en/about-us/privacy-notice.

You can book online at www.moneyhelper.org.uk/pensionwise or call MoneyHelper on 0800 138 3944. Alternatively call us using the contact details on the first page and we'll book an appointment for you.

Please note that we are unable to arrange appointments with MoneyHelper for anyone below the age of 50 so these appointments would need to be arranged by you directly.

8.2 Regulated financial advice

Before making a decision about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit www.moneyhelper.org.uk/choosing-a-financial-adviser to find one.

The regulations require you to confirm the following options before we can proceed with your application.

If you plan to take guidance and/or advice you should do this before completing this form.

Have you received guidance from MoneyHelper relating to this transaction in the last 12 months?

Yes **Date guidance received**

No. If you don't want to use MoneyHelper you need to opt-out. Please tick the relevant option below.

I've received regulated financial advice related to this transaction within the last 12 months.

Date advice received

I don't want guidance from MoneyHelper or regulated financial advice from an adviser.

[Please go to section 9.](#)

If you've already received guidance or regulated financial advice, you may want to do this again if there's been any significant change to your pension fund or personal circumstances.

9 Risk questions

Please answer the following question.

Prior to applying to take benefits have you taken advice from an authorised adviser?

Yes please go to section 10 if opting for beneficiary drawdown, otherwise please go to section 11.

No* please answer the below questions to highlight the risks.

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your application until we have received this signed declaration. We can accept copies by secure message, or by post to the contact details on page 1.

Please note that this exercise is only intended to highlight potential risks - your answers won't affect your options.

Guaranteed income (not needed for lump sums)

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

Yes No/unsure

Tax

Money that you take from your pension may be taxed (please see the applicable Key Features Document or Beneficiary Options Fact Sheet for further information). If it is taxed as income, it is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax we deduct from any payments is not the final amount due: you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of taking income from your plan?

Yes No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

Yes No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

Yes No/unsure

Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

Yes No

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

Yes No

Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

Yes No

Ongoing income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

Yes/unsure No

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

Yes/not applicable No/unsure

Inheritance tax

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

Yes No/unsure

Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

Yes No/unsure

Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

Yes No/unsure

10 Investment Pathways

This section is to be completed for all transfers to a beneficiary drawdown plan that is remaining with Curtis Banks.

The Financial Conduct Authority requires us to make sure you have considered the potential risks of holding more than half of your plan in cash and/or cash like assets. Examples of cash like assets are funds which are held in a current or deposit account and certain Government bonds.

We are required to ask questions about your investment intentions, so that we can provide warnings about the risks which might apply to you. Once we have received your answers to the below questions, if required, we may send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your request until we have received this signed declaration. We can accept copies by secure message or email to addresses at the top of this form.

Please answer the following question.

Prior to applying to transfer benefits to a beneficiary drawdown plan have you received a personal recommendation from an authorised adviser in relation to how to invest the funds in your plan?

Yes [please go to section 11](#).

No [please answer the below question in relation to the investments in your plan](#).

Investment Pathways is a process defined by the Financial Conduct Authority to assist individuals who have not received financial advice in selecting ready-made investments for their drawdown funds. More information on Investment Pathways can be found on the MoneyHelper website www.moneyhelper.org.uk, or you can telephone 0800 011 3797.

Please select one of the below 3 options to confirm how you wish to select the investments for your plan:

Option 1 Use Investment Pathways

Where you have selected option 1, please select one of the below Investment Pathway options that corresponds most closely to your current intentions:

I have no plans to touch my money in the next 5 years

I plan to use my money to set up a guaranteed income (annuity) within the next 5 years

I plan to start taking my money as a long-term income within the next 5 years

I plan to take out all my money within the next 5 years.

Option 2 Select investments without using the Investment Pathways

Option 3 Remain invested within your current investments in your existing plan, if you have one

Please note: Curtis Banks does not offer Investment Pathways, so we will be unable to proceed with your application if you have selected option 1. We recommend that you discuss your options and your personal circumstances with a financial adviser. If you do not have a financial adviser, you can visit the MoneyHelper website www.moneyhelper.org.uk, or you can telephone 0800 011 3797.
