Schedule of Fees for the SmartSIPP

This schedule sets out the fees charged by Suffolk Life for operating the SmartSIPP. Its purpose is to enable you to be clear about the costs you may incur for the services you require, and how they compare with the costs of other pension products. You should also refer to the SmartSIPP Key Features, Terms and Conditions and Schedule of Allowable Investments, as well as your Personal Illustration, for further information.

There are simple standard fees for all the basic work in operating the SIPP, and there are additional fees for the main items of extra work which may apply at some stage. By looking at the standard and additional fees listed below, you should be able to form a clear picture of the costs of the SmartSIPP which will meet your needs, and be able to compare costs with other pension products.

Fees will be debited directly from your SIPP's bank account as and when they fall due. VAT is added to all fees, and all fees may be increased annually in line with the Index of Average Weekly Earnings.

Our active management of customer cash means we can credit our customers with a competitive rate of interest. We retain some of what's earned so we can keep our charges low, as well as investing in our technology and propositions and in providing higher service levels.

Our aim is to deliver excellent financial outcomes for our customers, and ultimately help make their retirement more rewarding.

Details on our sharing policy are displayed on our website at www.curtisbanks.co.uk/bank-interest along with the actual rates applied to customer accounts, and the level of cash interest rates retained is shown on client illustrations.

General Notes

How does VAT apply to fees?

Plans are written under a trust arrangement and therefore the fees are liable to VAT at the standard rate.

How do annual fees work for transactions part way through a year?

Where you:

- move to being an unadvised client; or
- purchase a specialist investment

part way through a year, we will charge a full annual fee for the period to the next anniversary, and for each year thereafter.

We will not refund (in part or in full) any fees that have already been charged:

- on payment of the total remaining fund through flexi-access drawdown or UFPLS; or
- when a transfer out is initiated.

What do you do if you receive additional money following a transfer out?

We may receive dividends and other money after the transfer has completed. We will amalgamate these periodically after your plan is closed and forward them to the receiving scheme (less a fee when transferring to a ROPS). If our fee is more than the money received, we will keep the money.

What is a specialist investment?

Please refer to page 5 of our Schedule of Allowable Investments.

Who are your Investment Partners?

Please refer to our website: www.curtisbanks.co.uk.

Do your fees include the investment firm's fees?

No, our investment transaction fees relate to the recording and reconciling of investment transactions by us and do not include your investment firm's fees and charges. You should ask your adviser for a copy of your investment firm's documentation including their charges. This will be between you and your investment firm.

Are there any additional fees?

We reserve the right to charge for additional services on a time-cost basis relevant to the expertise and seniority of our staff involved. We will either provide an estimate of the charge or the basis on which it will be calculated for your acceptance before the work is carried out.

Do you receive any other income in relation to my plan?

In certain circumstances we may receive income from investment transactions and the holding of investments by an investment firm (including those on the Cofunds platform). In relation to investments held on the Cofunds platform this is in the form of an annual flat monetary payment from Cofunds covering all customers using the integrated services between Suffolk Life and Cofunds. Further details are available on request. We will inform you before we receive income from another investment firm you have chosen for your SmartSIPP.

SIPP bank accounts

The current interest rate is published on our website: www.curtisbanks.co.uk. Any changes to this interest rate will be published at least 30 days in advance.

Interest will be paid gross and credited monthly.

Any additional interest earned on the SIPP bank account will be retained by us.

When are fees payable?

Annual fees are payable in advance. All other fees are taken on completion of the event.

Is there anything else I should know?

All expenses, charges and outgoings whether in respect of the investments contained in your plan or other expenses however incurred shall be charged to your plan.

Accessing our services

If you experience difficulties accessing any of our services due to personal circumstances, we may be able to make some adjustments to help you.
