3 Important points to consider

Please ensure you have read and understood the important points below, before completing the rest of this form. If you have any queries please contact your adviser or the SSAS team directly.

Please note

Please ensure you have read and understood the pension scam information on pages 2 to 5.

- Please ensure you have read and understood the warnings on pages 2 to 5. Investment scams are often sophisticated and difficult to spot. If you have any concerns, we recommend you contact the FCA immediately. The contact details for the FCA are on page 2.
- Before we start a pension transfer, we are required to check that the scheme we're transferring to, meets HMRC requirements for the transfer to be classed as a recognised pension transfer. Completing these checks will increase the time taken to complete your transfer and your transfer will remain on hold during this time. Your fund will continue to be invested in your Curtis Banks SSAS. These checks are in place to help protect you and your pension fund.
- If your SSAS holds an investment in commercial property which is sold or transferred, both Curtis Banks and third party fees will be payable.
- Any fees charged by third parties to sell or transfer investments will be taken directly from either the investment account or SSAS bank account.
- You must check and satisfy yourself that your chosen new scheme will be able to accommodate and honour your protected pension retirement age, if you have one.

Investment and pension scams are often sophisticated and difficult to spot

Be a ScamSmart investor and spot the warning signs

Fraudsters will often:

- contact you out of the blue
- apply pressure to invest quickly
- downplay the risks to your money
- promise tempting returns that sound too good to be true
- say that they're only making the offer available to you or even ask you to not tell anyone else about it

How to avoid investment and pension scams

If you're suspicious, report it

- 1 Reject unexpected offers**
Scammers usually cold call, but contact can also come by email, post, word of mouth or at a seminar. If you've been offered an investment out of the blue, chances are it's a high risk investment or a scam.
- 2 Check the FCA Warning List**
Use the FCA Warning List to check the risks of a potential investment – you can also search to see if the firm is known to be operating without our authorisation.
- 3 Get impartial advice**
Get impartial advice before investing – don't use an adviser from the firm that contacted you.

You can report the firm or scam to us by contacting our **Consumer Helpline** on **0800 111 6768** or using our reporting form using the link below.

Pension Scams Action Group

United action against pension scams

Steps to stay **scam safe**

Scammers appear professional and it's becoming increasingly harder to spot the difference between something that's credible and something that's fraudulent.

The Pension Scams Action Group has put together a checklist to go through if you're ever approached about your pension.

Your pension is your future – keep it safe

Is the offer unexpected?

Legitimate pension providers are highly unlikely to contact you out of the blue about your pension. Be wary of free pension review offers and/or promises of high/guaranteed returns.

Have you checked who you're dealing with?

The Financial Conduct Authority's (FCA) website has a Financial Services Register you can check to make sure that anyone offering you advice or services is authorised to do so.

A firm pretending to be an authorised firm is known as a 'clone firm' and may have a clone website that looks exactly like the real deal. **Tip:** double check their contact details against the register and see if they match. Always ensure a firm is FCA- authorised or you won't be protected by the Financial Ombudsman Service or Financial Services Compensation Scheme if something goes wrong.

Website: register.fca.org.uk Phone: 0800 111 67 68

Stop and think - are you being rushed or pressured?

Pressure to act quickly or you will miss out is often a warning sign. Take your time to make all the checks you need and remember, if it sounds too good to be true, it probably is.

Should you seek impartial advice or guidance?

Financial advisers

If you can, it's a good idea to invest in speaking to a financial adviser. Often large amounts of money are at stake and they will be able to help you make the right decision for you. **Tip:** check any adviser you choose to use is regulated by the FCA.

7 Receiving guidance or advice

The FCA requires us to tell you about a service called MoneyHelper.

7.1 MoneyHelper guidance

MoneyHelper is a free, impartial service from the Government, which offers guidance to help you make an informed decision about what to do with your pension savings. This includes providing the different options available to you, in order to access your pension savings. Pensions guidance is delivered at an appointment with an independent pensions specialist, which you can choose to book yourself, or alternatively Curtis Banks can arrange this on your behalf. You can also receive advice from a regulated financial adviser. Advisers may charge you for their services.

Please ensure you have read the MoneyHelper privacy policy, which is available on their website, www.moneyhelper.org.uk/en/about-us/privacy-notice.

You can book online at www.moneyhelper.org.uk/pensionwise or call MoneyHelper on 0800 138 3944. Alternatively call us using the contact details on page 1 and we'll book an appointment for you.

Please note that we are unable to arrange appointments with MoneyHelper for anyone below the age of 50, so these appointments would need to be arranged by you directly.

7.2 Regulated financial advice

Before making a decision about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit www.moneyhelper.org.uk/choosing-a-financial-adviser to find one.

The regulations require you to confirm the following options before we can proceed with your application.

If you plan to take guidance and/or advice you should do this before completing this form.

Have you received guidance from MoneyHelper relating to this transaction in the last 12 months?

Yes **Date guidance received**

No. If you don't want to use MoneyHelper you need to opt-out. Please tick the relevant option below.

I've received regulated financial advice related to this transaction within the last 12 months.

Date advice received

I don't want guidance from MoneyHelper or regulated financial advice from an adviser.

[Please go to section 8.](#)

If you've already received guidance or regulated financial advice, you may want to do this again if there's been any significant change to your pension fund or personal circumstances.

8 Risk warnings

Please note: this section should be completed by:

- clients aged 50 or over who are transferring uncrystallised funds and taking benefits within 3 months of the transfer
- all drawdown transfers

Please answer the following question.

Prior to applying to transfer benefits have you taken advice in relation to the transfer from an authorised adviser?

Yes [please go to section 9.](#)

No* [please answer the below questions to highlight the risks.](#)

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application to transfer benefits. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

8 Risk warnings (continued)

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing and transferring your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your request until we have received this signed declaration. We can accept copies by secure message, or by post to the address on page 1.

Please note that this exercise is only intended to highlight potential risks - your answers won't affect your options.

Guaranteed income

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

Yes No/unsure

Tax

Aside from your tax-free lump sum entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax we deduct from any payments is not the final amount due: you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of the option you've chosen?

Yes No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

Yes No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

Yes No/unsure

Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

Yes No

Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

Yes No/unsure

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

Yes No

Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

Yes No

Ongoing income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

Yes/unsure No

Contributions

The annual allowance is the maximum amount you, or anyone on your behalf, can contribute to your pensions each year without incurring a tax charge. It is currently £60,000. If you take income whilst in flexi-access drawdown, your annual allowance for 'money purchase' pensions, such as your SIPP, will be reduced to £10,000. Are you, or anyone on your behalf, likely to contribute more than £10,000 to money purchase pensions in the future?

Yes/unsure No

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

Yes/not applicable No/unsure

Inheritance tax

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

Yes No/unsure

Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

Yes No/unsure

9 Member declaration

Declaration

- I have read and understood the important points in section 3 of this form.
- I formally request a transfer value to be made from the above Curtis Banks SSAS (less any outstanding fees) to the chosen receiving scheme.
- I understand that any cash elements of my transfer will be sent by BACS, unless I specifically request otherwise.
- I understand that all of the assets that make up my chosen transfer value will be disinvested and transferred as cash, except for those assets that cannot be sold or those that I have specifically nominated for a transfer in specie, unless I have elected for my fund to be fully transferred in specie.
- I understand that if I have elected for my fund to be transferred in specie, it is my responsibility to check that the assets can be held by the chosen receiving investment firm and check whether they will carry out any share class conversions as part of the transfer.
- I understand that any disinvestments that Curtis Banks must complete in order to provide sufficient cash to meet my chosen transfer value will be requested by letter.
- I agree that, should I require existing assets in my Curtis Banks SSAS to be sold at a specific time or for a specific value, the Trustees will notify Curtis Banks using this form and will contact the investment manager to arrange the disinvestment.
- I understand that the ability to sell or transfer some assets, such as those held in fixed term bank accounts, may be limited and as a result the transfer of these assets may be delayed.
- I understand that selling my holdings prior to transfer will incur transaction fees as stated in the Schedule of Fees for my product and transferring my holdings in specie is likely to incur CREST transfer or other re-registration fees for each holding, which are payable from my share of the SSAS fund.
- I understand that the applicable investment transaction/transfer fees (whether payable to Curtis Banks or to third parties) will be applied on any in specie transfers out of the SSAS. These will be paid from my share of the SSAS fund without prior consultation with me or my adviser, unless I give prior instruction in writing to the contrary.
- I agree the transfer shall be sufficient to end any of my claims to pension benefits from the portion of the SSAS that is transferred.
- I understand that my transfer will only be completed if my chosen receiving scheme is capable of accepting the transfer and the receiving scheme provider has properly completed this form.
- I declare that to the best of my knowledge and belief, the statements made on this form and its attachments (whether in my handwriting or not) are correct and complete.
- I promise to take responsibility for any losses or expense that result from any untrue, misleading or inaccurate information that is given by me or on my behalf, on this form, or in respect of the transfer.
- Where applicable, I authorise Curtis Banks to provide the necessary details to MoneyHelper.

Pension Liberation

- I have read and understood the Pensions Regulator's leaflet about pension liberation on pages 2 and 3 of this discharge form and I am happy to proceed with the transfer.
- I understand that, if the receiving scheme provides access to my pension benefits earlier than is permitted (normally before age 55, due to increase to 57 in 2028), there will be significant tax charges; and there may also be a risk that the receiving scheme charges significant fees.
- I agree and acknowledge that:
 - Curtis Banks will undertake appropriate checks on the receiving scheme, however, I am not permitted to rely in any way on this and understand I am responsible for undertaking my own checks on the receiving scheme.
 - Should the receiving scheme provide access to my pension benefits earlier than permitted, I will be responsible for all tax charges and penalties applied. This includes authority for Curtis Banks to recover any charges or penalties applied to them, from me. I will have no recourse to Curtis Banks for these charges or penalties.
 - Curtis Banks may delay to make the transfer until it has satisfied itself that:
 - >The receiving scheme is registered with HMRC;
 - >The transfer would be a recognised transfer for the purposes of the Finance Act 2004; and
 - >The transfer meets the conditions of The Occupational and Personal Pension Schemes (Conditions for Transfer) Regulations 2021
 - In consideration of the payment of the Transfer Value, I hereby release the Trustees of the Transferring Scheme from all liability to provide benefits for or in respect of my membership of the Transferring Scheme.

Curtis Banks is entitled to reject and cancel the transfer in the event that it is unable to satisfy itself of the above.
